**HI, I'M TIMOTHY LUCAS**

SOFTWARE DEVELOPER (ALMOST) | [WWW.LUCASTIMOTHY.COM](http://WWW.LUCASTIMOTHY.COM)

## OBJECTIVE

I'm seeking a career as a full-time web developer. My dream is to work full-time in a back-end web development role. I enjoy solving problems and working with other passionate people.

## EDUCATION

### MASTERS, IT MANAGEMENT

Webster University  
Saint Louis, MO  
May 2016 – 3.9 GPA

### BACHELORS, MASS COMMUNICATIONS

Southeast Missouri State University  
Cape Girardeau, MO  
May 2010 – 3.3 GPA

## CERTIFICATIONS

LaunchCode 101 – Jan 2018

## EXPERIENCE

### SENIOR TECHNICAL SOLUTIONS SPECIALIST • TEKNOLOGI SEPTEMBER 2015 – CURRENT

Newport Beach, CA - I'm currently the Implementation Manager responsible for on-boarding all new customers. I've successfully implemented 80+ customers in two years with a 90% success and retention rate. I also serve on our support team, as QA Tester, EDI Specialist and Training guru.

### DIRECTOR OF OPERATIONS • PPLUS GLOBAL LOGISTICS AUGUST 2010 – SEPTEMBER 2015

Saint Charles, MO - As the manager to a team of 10 – 13 employees with annual goals exceeding \$2 million in revenue, I was our in-office leader and driver of all daily activity. I was responsible for forecasting customer trends and strategic planning initiatives reporting directly to the president. Built all company websites, training manuals, handbooks, and internal IT infrastructure.

## SKILLS

### Good

Java, SpringBoot, C#, .NET, MongoDB

### Better

SQL, PHP, Python, Flask

### Best

HTML, CSS, WordPress, Asana, Jira, Agile, Photoshop, Illustrator
